

This project is co-financed by the European Union and the Republic of Turkey.

Technical Assistance for Developed Analytical Basis for Formulating Strategies and Actions towards Low Carbon Development in Turkey

Activity 4.3.1 Capacity building for key stakeholders; training seminars Green building certification as an effective instrument for carbon emission mitigation

27-28 March 2019, HM Commerce Hotel, Ankara

TRAINING AGENDA - DAY 1		Presenters, instructors
09:00-09:30	<i>Registration (coffee/tea, refreshments)</i>	
09:30-09:45	Welcome and opening	MoEU, Project Beneficiary - (TBD)
09:45-10:15	<ul style="list-style-type: none"> • Introduction to Low Carbon Turkey Project • Training Objectives and Agenda • Introduction of the Trainers/Instructors and Participants 	Mykola Raptsun, Team Leader
10:15-11:15	<ul style="list-style-type: none"> • Climate change and municipalities – challenges and solutions 	MoEU, Project Beneficiary - (TBD)
11:15-11:30	<i>Coffee Break</i>	
11:30-13:00	<ul style="list-style-type: none"> • Carbon emission mitigation priorities, plans and policies in buildings sector 	MoEU, Project Beneficiary - (TBD)
13:00-14:00	<i>Lunch Break</i>	
14:00-15:30	<ul style="list-style-type: none"> • Introduction to main principles, characteristics and features, which make buildings “green” <ul style="list-style-type: none"> ○ Green building specifications ○ What is green building and why green buildings ○ Green building certification systems ○ Environmental & health effect categories ○ Green building economic, social and environmental benefits ○ Minimum program requirements for green building definition 	Nursun DOĞRU

This project is co-financed by the European Union and the Republic of Turkey.

	<ul style="list-style-type: none">• Green buildings role in the mitigation of climate change<ul style="list-style-type: none">○ Global warming and climate change○ Sustainability and development○ Impact of buildings on climate change○ Impact of buildings on climate change – it is not only about energy and water consumption	Murat DOĞRU
15:30-15:45	<i>Coffee Break</i>	
15:45-16:45	<ul style="list-style-type: none">• Presentation of successful examples of residential, public and commercial green buildings implementation in Turkey and worldwide<ul style="list-style-type: none">○ Public Project○ Commercial Project○ Residential Project• Questions & answers	Murat DOĞRU Zeynep ÇAKIR
16.45-17:00	<i>Coffee Break</i>	
17:00-17:45	<ul style="list-style-type: none">• Green building certification (LEED certification experience) – how it works? – Part 1<ul style="list-style-type: none">○ Green Building certification systems in the world and Turkey○ Building types and different certification systems○ Green building experts and credentials○ Integrative Design of Green Buildings○ Green Buildings - Location and Transportation○ Questions & answers	Nursun DOĞRU

This project is co-financed by the European Union and the Republic of Turkey.

Technical Assistance for Developed Analytical Basis for Formulating Strategies and Actions towards Low Carbon Development in Turkey

**Activity 4.3.1 Capacity building for key stakeholders; training seminars
Green building certification as an effective instrument for carbon emission mitigation**

27-28 March 2019, HM Commerce Hotel, Ankara

TRAINING AGENDA- DAY 2		Presenters, instructors
09:00-09:30	<i>Registration (coffee/tea, refreshments)</i>	
09:30-11:15	<ul style="list-style-type: none"> • Green building certification (LEED certification experience) – how it works? – Part 2 <ul style="list-style-type: none"> ○ Sustainable Cities ○ Water Efficiency ○ Energy and Atmosphere ○ Materials and Resources ○ Indoor Environmental Quality ○ Innovative Technologies ○ Regional Differences • Questions & answers, discussion 	Nursun DOĞRU Zeynep ÇAKIR Murat DOĞRU
11:15-11:30	<i>Coffee Break</i>	
11:30-13:00	<ul style="list-style-type: none"> • Benefits of green building certification for government, municipalities and private sector, including reduction of carbon emissions • Questions & answers 	Murat DOĞRU
13:00-14:00	<i>Lunch Break</i>	
14:00-15:30	<ul style="list-style-type: none"> • Possible ways and approaches to facilitate and support the wide implementation of green building certification in Turkey <ul style="list-style-type: none"> ○ Green Construction Materials ○ Green Buildings ○ Green Infrastructure Projects ○ Green Cities • Questions & answers, discussion 	Murat DOĞRU Nursun DOĞRU
15:30-15:45	<i>Coffee Break</i>	

This project is co-financed by the European Union and the Republic of Turkey.
